

Georgia

June 4-10, 1922

E. A. Goldman

The evening we  
returned through Blackbeard  
River and Sapelo Sound  
and arrived at the  
house at the south  
end of Sapelo Island where  
we are Mr. Coffin's guests  
for the night.

June 9

Made another trip to  
Blackbeard Island, going  
by wagon over Sapelo  
Island which is lived and  
part in cultivation, crops  
of corn, potatoes, beans  
and vegetables are grown.  
Coffin has about 1000 cattle  
on the island.

Pop. of Sapelo about 350

harrow  
Hens  
Willet  
Partridge  
Sill. Duck  
Spanish dagger  
beetle  
solonites
